Nº8 MINCE-ATARIAN MINCE & CHEESE

THE LOW DOWN ON THIS BIG BOY PIE – NO BULL!

Our No 8 Mince-a-tarian Mince and Cheese Pie is made with Quorn mince, so it is ideal for Flexitarians who love pies and want to eat less meat, but still want a “meat like” pie eating experience. It is also suitable for Vegetarians and has been Vegetarian Society approved.

SOME INTERESTING STUFF ABOUT QUORN

What is it made of?

Quorn mince, a mycoprotein, is made through a natural fermentation process, much like how cheese is made, but Quorn mince is fermented from non-animal inputs.

It is a great source of protein

Quorn's mycoprotein is a nutritionally healthy protein source that is naturally low in saturated fat and high in fibre and contains no cholesterol. It contains all nine essential amino acids and a variety of vitamins and minerals including potassium, calcium & phosphorus, and smaller amounts of selenium, magnesium & zinc.

It is great for the health of our planet

Carbon Trust has certified the carbon footprint of Quorn's mycoprotein since 2012 making it the first meat free protein source to have third party carbon footprint accreditation.

Producing Quorn's mycoprotein requires 90% less land, water and carbon emissions than producing animal proteins.

Pie Weight:	220g
Product barcode:	9414195000188
Date type:	Best before - frozen
Shelf life:	Frozen 12 months
Storage instructions:	Keeping a feed on hand: Keep your defrosted pies in the fridge at 2°C to -4°C. Once defrosted use within 4 days. Keep your pies in the freezer for ages at -12°C to -18°C.
Heating Instructions:	To heat from frozen - unwrapped: Preheat fan-bake oven and tray to 160°C. Rip off the packaging and chuck the pie into the oven for 35 mins.
	To heat from frozen - wrapped: Preheat fan-bake oven and tray to 160°C. Chuck the pie, wrapper and all into the oven and heat for 50 mins.
	To heat from defrosted: If you defrost your pie we recommend this is done overnight in the fridge. Preheat fan-bake oven and tray to 160°C. Chuck the pie wrapped or unwrapped into the oven for 20 mins.
To microwave from frozen: (not recommended as it goes a bit soggy but if you are absolutely starving) Preheat fan-bake oven and tray to 160°C. Place the pie in the microwave and use defrost function to zap for 30secs. Heat pie in oven for 20 mins until the pastry is nice and crispy.	
Country of origin:	New Zealand
