

THE JUICE GUYS

MADE FROM 100% REAL JUICE

These smoothies are made the honest way, from 100% juice, they are not made from reconstituted crap. They also have no added artificial flavours, colours, or preservatives.

All our juices are cold pressed and pasteurised in the bottle which means minimal heat treatment is required and the integrity of the juice is maintained throughout the bottling process.

We have 4 flavours all are perfect for a morning pick me up or a healthy boost during the day.

Mean Green Smoothie: A beautiful blend of apple, orange, banana, mango, and kiwi fruit with a touch of spinach and lemon for zesty flavour and colour.

Orange & Passionfruit: The zesty sweetness from the orange and the tropical sweetness from the passionfruit makes this smoothie taste like summer.

Orange & Mango: Orange and mango is a perfect combination as the creaminess of the mango pairs perfectly with tangy sweetness of the orange.

Ravishing Red: Tangy apple and pear juice combined with creamy banana and the sweet earthiness of black carrot packs an energising punch.
